

EXIM Thailand Organizes Exchange Rate Risk Management Seminar for Exporters

Mr. Somphan Eamrunroj (third left), Senior Executive Vice President of Export-Import Bank of Thailand (EXIM Thailand) served as guest speaker at a seminar titled “Exchange Rates and Export Business: A Manageable Risk” at the Emerald Hotel on August 24, 2006. The seminar was organized by EXIM Thailand with an aim to equip its clients and exporters in general with better understandings and knowledge of forward contract arrangements to enhance their risk management capability against the prevailing exchange rate fluctuation.
