

EXIM Thailand Organizes Export Documents Preparation Training

Mr. Somphan Eamrungrroj (center), Acting President of Export-Import Bank of Thailand (EXIM Thailand), recently presided over the opening session of the Certificate Program in Export Documents Preparation arranged by EXIM Thailand from September 2-October 2, 2010 at EXIM Thailand's Head Office. The program's objective is to enhance exporters' knowledge, understanding and skills in export documents preparation, international trade negotiation and payment terms selection in order to avoid delayed payments or buyers' refusal to pay.
