

EXIM Thailand Supports Thai Contractors in Maldives

Dr. Apichai Boontharawara (middle), President of Export-Import Bank of Thailand (EXIM Thailand), recently visited the “Hulhumale Development” project, a housing and infrastructure development project initiated by the Government of the Republic of Maldives. Dr. Apichai was welcomed by Mr. Ibrahim Naeem (left), Deputy Managing Director of Maldives Monetary Authority, and Mr. Mohamed Shahid (right), Acting Head of Department, Administration and Corporate Hulhumale Development Corporation Ltd. Part of the project commissioned by Thai contractors has been completed with more than 200 households already settling.
