

EXIM Thailand Supports Thai Entrepreneurs to Penetrate New Markets and Boost Product Innovations

Mr. Pisit Serewiwattana, President of Export-Import Bank of Thailand (EXIM Thailand), said in a press conference at EXIM Thailand's Head Office on July 25, 2018 that EXIM Thailand is ready to promote Thai investment with a view to drive export and support Thai entrepreneurs' export product innovation and expansion to markets with high potential and demand for Thai goods, as Thai export continues to expand amid prevailing risks in the second half of 2018.
