

EXIM Thailand Supports CCTV Network Project on Phaholyothin Road in Phayathai District

Mr. Somkoun Somboonpun (third right), First Vice President of General Administration Department, Export-Import Bank of Thailand (EXIM Thailand), recently made a cash donation of 500,000 baht to Mrs. Pongpen Chuenka (far left), Director of Phayathai District at Phayathai District Office, to support Phayathai District's CCTV Network Project. The Project is a collaboration between the public and private sectors to link CCTV Network down Phaholyothin Road for incident recording and detection at the CCTV Network Center in Phayathai District Office with an aim to increase public safety in lives and properties through video surveillance including passersby around EXIM Thailand's Head Office and nearby areas.
