

EXIM Thailand Discusses Support for Power Plant and Transmission System Investment with Electricite du Laos

Dr. Rak Vorrakitpokatorn (2nd right), and Mrs. Warangkana Wongkhaluang (2nd left), Senior Executive Vice Presidents of Export-Import Bank of Thailand (EXIM Thailand), recently paid a courtesy visit to Mr. Bounoum Syvanpheng (far right), Managing Director of Electricite du Laos (EDL), at EDL's Office in Vientiane, Lao PDR. The two parties explored ways to support investment in power plant and transmission system projects in Lao PDR as well as possible financial structuring for EDL's development projects and electricity sale in the future.
