

EXIM Thailand Supports Network Building Program for Young Entrepreneurs in Thailand and Neighboring Countries

Mr. Adul Chotinisakorn (ninth right), Director-General, Department of Foreign Trade, Ministry of Commerce and Director of Export-Import Bank of Thailand (EXIM Thailand), recently joined the opening ceremony of Young Entrepreneur Network Development Plus Program (YEN-D Season V), presided over by Ms. Chutima Bunyapraphasara (ninth left), Deputy Minister of Commerce at Ministry of Commerce. Under the program, EXIM Thailand formed an alliance with MOC's Department of Foreign Trade to promote business matching between entrepreneurs in Thailand and neighboring countries to build business network and increase value of trade and investment. This year, the YEN-D program will expand its network to Indonesia and Malaysia as well as young Thai entrepreneurs in the border provinces such as Tak, Sa Kaeo, Sakon Nakhon, Nakhon Phanom and Mukdahan.
