

EXIM Thailand Launches Data Warehouse Project

Mr. Pisit Serewiwattana (third left), President of Export-Import Bank of Thailand (EXIM Thailand), recently took a group photo with Mr. Buruch Tantipong (third right), Managing Director of Sahasedsiri Enterprise Computing Co., Ltd., a software company, during the launch of EXIM Thailand's Data Warehouse Project to support the Bank's business growth and higher demand for data usage to achieve effective and speedy analysis, planning and decision-making, at EXIM Thailand's Head Office. The Data Warehouse will help ensure business continuity and efficiency in line with EXIM Thailand's information technology and communication action plans as well as its transitions to support Thailand 4.0 amid rapid technological advancement.
