

EXIM Thailand's Board of Directors Visit Alternative Energy Project in Surat Thani

Dr. Narongchai Akrasanee (third right), Chairman of the Board of Directors, Export-Import Bank of Thailand (EXIM Thailand), and other EXIM Thailand Board Members recently visited Southern Group's palm oil manufacturing plant and biomass power plant project using palm oil fiber and empty fruit bunches as fuel in Surat Thani province. The EXIM Thailand's delegation was welcomed by Mr. Pracha Taerat (center), Governor of Surat Thani province and Mr. Thanarak Phongphatar (far left), Chairman of Southern Group and Managing Director of Southern Palm (2521) Co., Ltd.
