

EXIM Thailand Co-organizes Training Course on Iron Mill with
Millcon Steel Industries PCL

Mr. Kanit Sukonthaman (center), President of Export-Import Bank of Thailand (EXIM Thailand), received a Certificate of Accomplishment on behalf of EXIM Thailand from Mr. Sittichai Leeswadtrakul (left), President & CEO of Millcon Steel Industries Public Company Limited, at the end of an in-house training program to promote knowledge among EXIM Thailand's staff on iron mill industry. Aimed to enhance the Bank's marketing, research and analysis capability in regard to iron products and production process, the training program took place at EXIM Thailand's Head Office on March 28, 2013 with Dr. Itthipon Diewwanit (right), Lecturer, Department of Metallurgical Engineering, Faculty of Engineering, Chulalongkorn University, serving as key speaker.
