

EXIM Thailand Participates in Canal Preservation Project

Mr. Kanit Sukonthaman, President of Export-Import Bank of Thailand (EXIM Thailand), received an honor plaque from Prime Minister Yingluck Shinawatra, in recognition of EXIM Thailand's support for the canal preservation project led by the Ministry of Finance at Central World Shopping Center, Bangkok on September 17, 2012. The project aims to increase the awareness and participation of local communities together with the public and private sectors in canal preservation on a sustainable basis.
