

EXIM Thailand Lends to Thai-German Products Public Company Limited **To Support Stainless Steel Production for AEC Markets**

Mr. Kanit Sukonthaman (second right), President of Export-Import Bank of Thailand (EXIM Thailand), and Mr. Rachata Leelaprachakul (second left), Managing Director of Thai-German Products Public Company Limited (TGpro), co-signed a 665-million-baht working capital loan agreement at EXIM Thailand's Head Office on October 1, 2012. The loan objective is to finance the expansion of TGpro's production capability of stainless steel pipes and products for domestic sale and export in preparation for the ASEAN Economic Community (AEC) in 2015. The company's products marketed under "TGpro" trademark are widely used in petrochemical, paper pulp, energy and food industries as well as decoration works.
